Art from Nature

University District Arts & Character Plan

August 10, 2016

Call For Entries

The University District Organization is seeking qualifications from individuals or teams for the design and creation of several art installations in the University District of Columbus as part of the University District Arts & Character Plan.

The project team is currently accepting applications from individuals or teams, with special consideration given to neighborhood residents. A selection committee with representatives from the neighborhood, Create Columbus Commission, local businesses, and arts organizations will select individuals or teams. Consideration will be given to projects that include community participation in the art process, such as fabrication.

Project Details 'Art from Nature'

The intent of the 'Art from Nature' installation is to create an art piece for placement in luka Park that integrates with the landscape. The installation should utilize natural materials that degrade over time and limit the environmental impacts to the site. Items may be sourced from the park, and/or the surround area. Placement should not occur on the lawn areas of the park. Applicant's should seek inspiration from the attached Community Character Framework (available at universitydistrict.org/character).

Budget

Each selected applicant will receive a \$2,500 fee payable in two installments for the final design and installation of the selected art piece.

Application and Submission

Please use the attached application form. Applicants are free to submit additional information or documents in addition to the completed application form.

Please submit completed applications by emailing to info@universitydistrict.org, or by mail/in person to 'University District Organization' 2231 N High Street, Rm 200, Columbus, OH 43201.
